

✦ Website Design and Site Management

80% of online consumers search for your product or service on a smartphone. REACH Maine Marketing delivers mobile-friendly websites for businesses and organizations throughout Maine across a diverse industry-base:

- E-Commerce
- Health Care
- Local Retail
- Education
- Municipal Publishing
- Business Services
- Non-Profits

Small business starter website packages

Stand out from your competition with a fast, professionally designed website that works well on cell phones, tablets and desktop computers.

A few small business websites designed by REACH:

- MDI Grows Landscaping
- Freshwater Stone
- Harold MacQuinn, Inc., General Contractors

Custom Website Design & Site Management

REACH website design and site management services are customized to meet each client's specific needs. Our clients range from municipal, to publishing, e-commerce and small businesses.

We will maintain your site for you or train you to maintain your own site.

Custom Website Designs:

- Boothbay Harbor Area Chamber of Commerce
- Ellsworth Region Chamber of Commerce
- City of Ellsworth
- MDI Hospital
- EBS Building Supplies
- Down East Family YMCA
- Fiore Olive Oils
- Woodlawn Museum
- Bar Harbor Inn
